

TEACH SPIRIT OF CO-OPS IS GROUP'S PLAN

Tentative plans for the operation of a school on co-operatives were made at a meeting last week at the home of Harold D. Ghent, manager of the Newmarket District Co-operative. The classes will be held in the board room of the agriculture office in Newmarket from October 22 to October 25 inclusive.

The purpose of the school, according to Mr. Ghent, will be to teach the principles and advantages of co-operative enterprise. "The principle of co-operative activity is education," he said. The meeting was attended by representatives from Newmarket and district.

"Ontario is a graveyard of co-operatives, not because the principles were wrong, but because of lack of education and lack of knowledge of how to run a co-operative properly," said Mr. Ghent. "Fortunately the latter is not true in Newmarket, but it is true that the Newmarket co-operative is not a co-operative operating among a group of well informed members. Few of the members understand the workings of a co-op."

"They only see and understand the concrete results. We should start now to teach them the principles upon which successful co-ops are founded, as well as to point out some of the advantages which are not so immediate."

"We are here tonight to thrash out the pros and cons of what should be discussed in the schools, as well as the time and place best suited to everyone."

A. H. K. Musgrave, formerly the principal of the Co-operative Rehabilitation school in Toronto, and a representative of the Ontario Co-operative Union, said that co-operatives are built on sound business ideals and education.

"The co-operative is the purest form of democracy. In our country, which we call a democracy, we have a small measure of political democracy, but we have no economic democracy except in the co-operatives," he said.

He said that according to history, a depression follows every war, and he expressed the opinion that "the forthcoming depression, when it comes, is going to be serious."

"Necessity promotes co-operation," Mr. Musgrave continued. "Saskatchewan was forced into co-operation by the last depression. If we are going to minimize the effect of depression we must have co-operation. We should, therefore, carefully investigate financial democracy, the basis of co-operation and the co-operative."

"I propose that the first thing that should be taken up in these classes is an investigation of the Rochdale principles. The co-ops that have followed these principles have been successful since 1844. The others have been non-co-operative."

"The first of these principles, for example, is democracy of control, or 'one man-one vote', regardless of the amount of money he has invested," said Mr. Musgrave.

"Another is cash trade at market prices. Included in this should be an explanation of record keeping so that the individual man can read a financial statement and interpret it intelligently, and so that the members can cast an intelligent vote on the management."

"Another of the principles is that there should be no discrimination because of race, religion or politics. There must be no intolerance."

"Another thing that must be remembered is that, no matter how smart a man is, it doesn't do him much good if he can't get along with people. In the course of the discussion we should give a few tips on social relations."

"Again, a man that has ideas should be taught to express them properly so that others may profit by his knowledge. We should therefore include a short course on public speaking."

"A few tips should be given on how to conduct a meeting," Mr. Musgrave concluded.

A lengthy discussion followed of the points brought up, by the two speakers, and then the question of the time and place of the proposed classes was brought up. It was decided that they should be held on October 22, 23, 24 and 25 in the board room at the office of Agricultural Representative W. M. Cockburn, Newmarket.

A. R. Armitage, Neil Faris and Mrs. W. H. Wilnot were among those present at the meeting.

MOVES OFFICE
Dr. S. J. Boyd will move his office to 111 Main St., one door south of Stewart Beare, on Monday, Oct. 7.

Veterans Winners Of Spillette Cup In Three-Straight

By ORVILLE GANTON

J. L. Spillette's beautiful trophy will find its first resting place with the collection on the mantel of Newmarket Veterans' Association club room. On Friday evening Jack McDonald's

Present Awards To Class Leaders At H.-S. Banquet

Awards were presented by the Newmarket Home and School Association to Jean Pickering and Joan Widdifield, members of the entrance class with the highest marks last year, at a banquet held by the association for the graduates of the public and separate schools Tuesday night.

The banquet was held in the Trinity United church Sunday-school rooms. Among the guests were H. A. Jackson, supervising principal of Newmarket public schools, Miss Evelyn Denne, principal of Stuart Scott, Samuel Jefferson, principal of Alexander Muir, and Fred L. Hall, last year principal of Alexander Muir, L. H. Bovair, chairman of the Newmarket public school board, and Bernard McHale, chairman of the separate school board.

The toast to the graduates was proposed by Mr. Jackson, with his son, Allen, replying. Joan Bovair and Robert Koffend contributed vocal and instrumental solos to the program. The banquet is an annual affair.

SPEAKS AT FAIR

Joseph McCulley, principal of Pickering College, will be guest speaker at the annual fall fair of the Women's Institute which gets underway in the Newmarket town hall this afternoon. Tonight and tomorrow night, the Newmarket Veterans' Association is sponsoring an amateur show as part of the Women's Institute program.

in a fitting climax for the league's first season.

Despite a flock of Hill errors and some very "screwy" base-running, it was an exciting game that had the fans on their toes all evening. Newmarket won the first two games quite handily but the final was anyone's game until the last dog was hung.

Nels Findley on the mound for the Hill was magnificent in defeat. He really deserved a better break. He was a one-man ball team, throwing out eight base-runners himself. But for a flock of errors by his infield, he might have forced the series to four games. Echlin and Redmond played sound ball behind him but the rest of his pals were way off the beam.

Bill VanZant pitched his usual steady game. He allowed seven hits, walked three but tightened up with runners on the bags. The Newmarket boys all played heads-up ball afield with Gibney and Fred Evans turning in a couple of sparklers. Fred Evans, who replaced Mair at third, played a strong game all through the series. Pete Dillman, Smith and Gibney held the batting end up while VanZant and May came through with a couple of useful hits in the final. VanZant was as slippery as an eel on the bases. It was a splendid series to cap a long, successful season. Somers and Hulse handled the series without a squawk from anyone, which is something.

Following is the text of Mr. Spillette's presentation address, made at the conclusion of the final game:

"It is indeed a privilege and a pleasure to present to the Newmarket Veterans' softball club this little trophy on their becoming champions of the North Yonge Softball League."

"Your boys, Mr. MacDonald, have proved themselves of truly championship calibre—not only on the softball field or in the ice arena, but on the fields of battle where so many of them have served so heroically."

"Little we thought, during the dark years of the war, that we would be so fortunate as to have so many of these fine lads back with us to participate in such an evening as this."

"Your club has been an asset, not only to the league, but also to the town of Newmarket, and I do wish to compliment the boys on their success."

"As a member of the town council, I would like also to convey to you, the compliments of that body as well."

"I, therefore, take pleasure in presenting you with this little trophy, known as the J. L. Spillette Trophy."

One Of Coldest Oct. 1's Says Silas Armitage

"Yesterday was one of Newmarket's coldest Oct. 1's that I've seen in a long time—but I do remember times when we had to wear gloves to pick apples," said Silas Armitage, Timothy St., in an interview last night—and Mr. Armitage ought to know, he's one of the district's oldest residents.

Mr. Armitage was born on Yonge St., over 96 years ago, and has lived in the district all his life. At the age of ten his family moved to a little house on Eagle St.—"There were only a few houses in Newmarket then—and they weren't very pretentious ones either. I brought my wife to that house when I was married, and I've lived in Newmarket ever since."

"The first thing I read when I get my copy of The Era and Express is your '50 years ago' column—I know everybody that's mentioned in it. I saw my wife's name there a few weeks ago. I guess I'm one of The Era and Express' oldest subscribers—I've been buying it almost ever since it was started."

Tireless Church Worker, Mrs. Geo. Sparks Dies

Long active in church affairs, Lydia Amelia Sparks, widow of George Sparks and the mother of Rev. L. E. Sparks, Church of the Nazarene, Newmarket, died at the home of her son on Main St. Newmarket, Sept. 26 following a brief illness.

Born in London, England, the daughter of the late Mr. and Mrs. George Broomfield, on March 16, 1863, she married George Sparks April 16, 1882. Her husband predeceased her July 24, 1938.

The funeral service was held at the Church of the Nazarene on Sunday and was conducted by Rev. H. V. Muxworthy and Capt. Arthur Robinson of the Salvation Army. Over 200 attended the service here. A second service was held in the Salvation Army Citadel at Paris, Ont., preceding interment in the Paris cemetery.

Pallbearers, four of them grandsons, were George, Ernest, Harold and Rev. David Sparks, William Hill and Kenneth Smith.

Mrs. Sparks is survived by three sons, William of St. Catharines, Rev. L. E., Newmarket, and Stanley of Windsor, one daughter, Lydia, Newmarket, and eight grandchildren and four great grandchildren.

For many years, Mrs. Sparks was a member of the Salvation Army in England and in Paris. Ont. On coming to Newmarket with her daughter, she placed her membership with the Church of the Nazarene. For over 60 years, she was untiring in her work in the church. She was fond of music and during her life, had appeared many times as soloist at religious services.

REGISTER OCTOBER 5

The registration for the children's art class will take place at the Red Cross room on Saturday, Oct. 5, from 2 to 3 p.m. Age of pupils is limited to between seven and ten years. The classes are being held under the sponsorship of the Newmarket Home and School Association.

FIRE BRIGADE CALLED TO CHIMNEY BLAZE

Fire-fighting equipment was summoned this morning to the home of Mrs. M. A. Smith, 24 Court St., where the chimney caught on fire.

Fire Chief Joseph Brammer attributed the blaze to dirt in the chimney pipes. Little damage was done.

DANCE, FLOOR SHOW AT DRILL HALL OCT. 9

The drill hall at the former military camp will be the scene of another big night as the Newmarket Community Recreation Council sponsors a dance there Wednesday, Oct. 9, with the aid of the Newmarket branch of the Canadian Legion. Proceeds from the dance will be given to the recreation council.

A feature of the dance will be the floor show which will also include Isha Goodman as guest pianist and, departing from the usual dance, arrangements have been made to provide tables so that refreshments can be served during the dancing to individual parties.

Don Gilkes and his orchestra with a soloist will provide the music.

IS ON JURY

Robert Harland is serving on jury in Toronto.

DRAMA GROUP PLANS SEVEN MONTHLY PLAYS

Ken Flött was elected president at an enthusiastic meeting of the Newmarket Dramatic club on Tuesday evening attended by over 25 people. This year the club is going to stage a production once a month, for the next seven months. The opening show is a three-act comedy, A Ready-Made Family, directed by Mrs. Dorothy Bowman and staged in the Newmarket town hall October 17-18.

The club is sponsoring a season's ticket to cover admission to all seven performances as well as the usual individual performance ticket. It is a big task to produce seven shows in a winter and there will be plenty of work and opportunity for everyone either in acting, directing or assisting elsewhere in the production.

The executive officers are: first vice pres., Miss Agnes Graham; second vice pres., Miss Lillian Daniels; treas., R. D. Brown; rec. sec., Mrs. Audrey Hilliard; cor. sec., Mrs. Ann Bell; telephone sec., Miss Helen Coveney; business manager, Charles E. Boyd; publicity manager, Ken Johns; stage manager, Jack Higginson; properties, Del Gibney; membership chairman, Mrs. Jean Neufeld; casting chairman, Mrs. Vera Brown; Librarian, Mrs. G. E. Case; board of directors, Mrs. Dorothy Bowman, Miss Grace Smith, Mrs. Jean Neufeld, Mrs. Vera Brown, Dr. C. G. VanderVoort.

Each member of the board of directors will direct at least one show during the season.

COUNCILS MEET ON HIGH SCHOOL AREA

Members of the Newmarket town council attended a meeting in York county council chambers this morning to discuss the formation of a new high school area for Newmarket high school. Attending the meeting were representatives of the townships of King, Whitchurch, North Gwillimbury and East Gwillimbury, portions of which will be included in the proposed area.

On Monday night, members of the council discussed the conditions of the proposed area but were unable to reach unanimity on the stand Newmarket will take. The decision was left until after the meeting today.

The proposed high school area would mean broadening the area the school serves to include a larger assessment. Necessary to the proposal is the provision of a transportation system to bring pupils from the high school area to the school.

The advantage of the new area, as set forth in the proposal from York county council committee, would be that the larger area could support a school providing a complete curriculum including shop work, home economics, commercial, academic and agriculture courses.

Problems to be met in the formation of such an area include division of costs among the municipalities included in the area. If the proposed area is accepted, it will mean inclusion on the high school board of representatives from each municipality included in it.

Era and Express classifieds bring results.

41-Oz. Spud New Entry In Contest For Size

Hugh Sheardown, who farms on the eighth concession of King near Schomberg, brought in a 2 lb., 9 oz. potato to Agricultural Representative W. M. Cockburn this week. It was a Katahdin. Some weeks ago, a report of four large potatoes, grown by T. H. Oosterhuis, appeared in The Era and Express. Other papers printed reports of still larger potatoes. To the best of our knowledge, Mr. Sheardown's potato is the largest. Has anyone a larger potato?

STAGE IS SET FOR AMATEURS AT TOWN HALL

The stage is all set for the two-night amateur show which opens this evening in the Newmarket town hall and which is sponsored by the Newmarket branch of the Women's Institute. Thirty-five acts will be introduced by T. A. M. Hulse, master of ceremonies. Eighteen turns have been entered from Toronto, many of which have won contests there. Miss June Stoker and Patricia Burke, who won prizes at the veterans' show last spring, are the only two from Toronto making a repeat performance.

The acts include a wide variety of entertainers. Hillock sisters from Georgetown, Chelsea Moore, King sisters and Kay Hughton, all prize-winning troupers, will trip the gay fantastic. Jimmy Gallagher, prize-winner at Sunnyside, gives an impersonation of radio, screen and stage stars. Helen Hannivan does a funny skit on a "dumb soldier" and "radio commercials". Valarie Hunter, Schomberg's star soft-baller, will show her versatility in an act with her little sister.

Frank Busseri, prominent Toronto band leader, will bring his clever 12-year-old son, a prize-winning trumpet soloist, June Downey and Lorraine Fierheller are high class singers. Miss Fierheller having won five gold medals. On Thursday, a group of local teen-age jitterbugs will hold a short rug-cutting session. Square dance sets from Sharon Junior Farmers and Mount Albert will display their art on Friday evening.

Mrs. M. B. Seldon, music teacher, Dick Mather, former recreation director, and Basil McHale, amateur actor, have consented to select the prize winners Thursday. Ken Ponting will be at the piano. The reserve seats are now on sale at Bell's I.D.A. Drug Store.

TO PRESENT RECITAL OF SACRED MUSIC HERE

A musical treat is in store at the Christian church on Sunday, Oct. 6, at 3.45 p.m. when a recital

ROBERT HARKNESS

of sacred music will be given by the Australian musician, Robert Harkness. For over 30 years this talented musician has been active in the world of sacred music. He has travelled far and wide, presenting his recitals in many lands. Throughout Great Britain, Australia, New Zealand, Fiji, Tonga and the Far East he has presented the gospel theme in music, song and story. He has played in every state of the United States as well as across Canada.

His appearance here promises to bring together an appreciative audience. Through his songs, including Shadows, No Longer Lonely, Why Should He Love Me So?, and hundreds of other hymns, he has become a world-wide figure in sacred music. His songs have been translated into more than 30 languages. A feature of the program is the composition of new music for any scripture verse suggested by anyone in the audience. The composer teaches his audience to sing the new music.

Milk Price Rises 3 Cents As Ottawa Discontinues Aid

A poll of Newmarket milk distributors Tuesday revealed that they were generally apprehensive concerning the effect of the increase on the price of milk on their business.

As late as Tuesday morning, not even the distributors definitely knew what the new prices were to be. Because of the provincial government's appointment of a royal commission to investigate all phases of milk production and marketing, and the statement by the government that it believed that the Milk Control Board did not have the power to authorize the increase, the distributors were uncertain as to where they stood.

The three Newmarket dairies, because of the fact that they had received no word from the Ontario Milk Distributors' Association, held a joint meeting and

set what they thought the milk prices were supposed to be. Then, according to Fred L. Hall of Hillsdale Dairy, they received a call Tuesday morning from Aurora, informing them of the official prices.

Howard Williamson of the Newmarket Dairy also received a bulletin from the Ontario Milk Distributors' Association which partially explained the situation.

The bulletin was entitled "Milk and Cream Prices Revised Again." It reported that "the Milk Control Board's recent order affecting new prices for Oct. 1, 1946, was the subject of a long discussion today (Monday), in the provincial cabinet. It was the final decision of the cabinet that the prices recently ordered by the board could not be approved without an agreement (Page 7, column 1)

Say Price Too High

In a consumer poll conducted Tuesday by The Era and Express, it was found that there was some resentment of the increased price of milk.

Mrs. Ted Baillie said that milk should not cost more than ten cents a quart. "Any amount over that should be paid by the government," she said. "They should keep the subsidies for at least two years until prices get back to normal."

"I have three children, aged four, five and six," she continued, "and it takes \$18 a month to buy milk at present prices. That's more than we get from the whole baby bonus."

Mrs. Wyatt Moorthy pointed out that the price of milk in Newmarket was ten cents a quart all during the war. "Why can't they

keep the subsidy now to keep the price down?" she asked. She said that she would continue to buy the same amount of milk, "but there are a lot of people who won't be able to afford it."

Mrs. Orval Saunders, who has eight children ranging in age from 13 years to two months, said, "I wish I had a barn so I could put a cow in it." She buys an average of six quarts a day. "Maybe some day the price will come down and they'll be giving it away," she said.

One woman, who purchases an average of four to five quarts a day, suggested a buyer's strike in protest. "People with young children couldn't go on a buyer's strike but a lot of us could cut down a great deal if we all got together," she said.

Farmers Satisfied

District farmers seemed generally satisfied with the increase in the price of milk although some still expressed dissatisfaction that the increase to the producer was only \$1 per cwt. rather than the \$1.20 per cwt. asked by the Whole Milk Producers' League.

One farmer, Neil Faris, suggested that the increase should have been \$1.65-\$1.70 per cwt., which would have brought the price paid to producers up to about \$4 per cwt., rather than \$2.30-\$2.35 they received before October 1.

"Labor and machinery are away up," he said, "why not give the farmer a break?"

H. F. Dunham would have been satisfied with the recommended \$1.20, but added that even the \$1 increase was a big help.

Alex. Doner represented a great many farmers when he said that the \$1 increase struck him as being just about right.

PLAN MUSIC EVENING IN KING GEORGE SCHOOL

The Newmarket Music Society will hold a meeting on Monday, Oct. 7, at 8 p.m. in King George school. A musical evening is planned. All members are asked to attend and bring anyone interested in music.

ARENA SOCCER LEAGUE PLAYS FIRST GAMES

The Newmarket indoor soccer league opened Monday night at the Newmarket arena with the Davis Leather team defeating the Specialty 4-2 and International Wood downing the Legion team 2-0.

The Davis Leather Co. Ltd. has donated a trophy to the league winners.

Steel Bolted Into Place As New Factory Progresses

With the arrival of several loads of steel, work has once more begun on the new Canadian Hoffman plant on Queen St. At 9 a.m. Saturday morning, the first steel beam was raised into position, according to R. J. McGuire, assistant general manager. "All of the beams will be up and bolted into position by the end of this week, provided that the weather holds out," he said. "They will then be plumbed and rivetted by the end of next week."

Work on the power station and boiler room continues also, "but not as fast as we would like it to," Mr. McGuire said. "The problem is not material shortages now, but labor shortages, especially bricklayers. We can use all of them that we can get."

Mr. McGuire said that in the beginning the material shortages, specially in steel, had held construction up for a considerable length of time, but that now they had all the steel required and that other materials were coming in steadily.

Mr. McGuire would not hazard any guesses as to when the building would be completed. "It all depends on the weather now," he said. The Canadian Hoffman Machinery Co. is one of the largest manufacturers of dry cleaning, vacuum, washing and pressing equipment.

Y.P.S. TO MEET The Young People's Society of the Free Methodist church will meet Thursday, Oct. 10, at 8 p.m. An interesting program has been arranged.

HYDRO WIRES DOWNED BY TUESDAY'S WIND

The wind which battered Newmarket Tuesday caused considerable trouble for members of the Newmarket hydro department. During the night, a combination of wind and trees caused a break in the wire east on Gorham St.

At noon Tuesday, the same combination knocked out two primaries on Gorham St. opposite the home of Elgin Perrin. Service was cut off along Gorham St. and Eagle St., and interrupted in Dixon Pencil Co. and Davis Leather Co. Ltd.

Later Tuesday afternoon, there was a "service" break on Park Ave. and one home was without power for a short time.

Around 7.30 Tuesday morning, the Newmarket fire brigade answered a call to the home of Fred. Climpson on Andrew St. where the chimney had caught on fire. Little damage was reported.

DOWN THE CENTRE

By AB. HULSE

Herbie Cain left on Monday for Hershey, Penn., for the annual pre-season training session with Boston Bruins. It's the 14th time he's made the pilgrimage, and this year, it is the earliest date yet.

As you will recall, earlier in the year it was announced that Cain would be performing with New York Rangers this year, in fact had been purchased. Herb never received any definite word on this point, but last month was expecting to go to Winnipeg with the Patrick men. Then came the orders from Ross and Clapper to report to Hershey.

Apparently what happened was that Bruins asked for waivers on Jack Church and Herbie, and Rangers, seeking to strengthen their team, tabbed both of them. Then Bruins, looking the situation over, let Church go to Rangers but withdrew the waivers on Cain. According to the league rules, waivers can be asked for and then withdrawn three times.

Whether or not Cain actually figures in the Bruins' plans remains to be seen. The big question to be asked is "Who can replace him?" Despite his years in the big time, Herb is still plenty good, although not as fast as he once was. With experience still a big factor, and the class of rookies none too good, most of the clubs are going to be content to stick with the oldsters.

If Bruins decide to sell or trade Cain, you can depend on it there will be plenty of takers right in the N.H.L. Chances are he'll stick with Bruins all through the season. As per usual, he goes back to the grind in good condition (that's a year-round feature) and he's promised to drop us a line or two from camp. We're all pulling for Herbie to show the critics there's plenty of zip in the old bones yet.

Dit Clapper, another Newmarket-born player, now coach of the Beantown hockeyists, last year declared he was through as a player, but already come rumors that he'll be in the game. If so, it will mark his 20th straight year as a player, and all with the same club. Maestro Clapper played sparingly last season but was nearly as good as ever. "Aubrey Victor," born in the Trivett residence in Newmarket, celebrated his 40th birthday on Feb. 9.

Schomberg came through on Wednesday of last week with a 12-2 win over Princeton in the final and rubber match played at Eden Mills to crop the Mitchell Hepburn championship and the Ontario rural "A" honors.

It was the first time since the O.R.S.A. started that the crown has left western Ontario. Schomberg, accompanied by a crowd of cheering rooters, left no doubt as to its superiority.

Ken Ellison pitched nice ball, allowing only five hits, and fan-

ning eight over the nine-inning route, with Princeton being the home team. He was especially strong in the pinches when his fast ball worked to perfection. Battery-mate Bill Sutton, playing his first year of softball after four years overseas with the 1st Hussars, was a potent factor in the win. Sutton not only handled Ellison's shoots in perfect fashion with nary a passed ball, but he whacked out four hits in five trips to the plate, including a mammoth homer, which settled the issue pretty well.

Just in case you've forgotten the names of the other members of The Champs, we repeat the line-up we published some weeks ago. Infield, 1b, Walt Thompson; 2b, Art Walker; 3b, Trevor "Shorty" Graham; ss, Gerald Hanlon; outfield, Ed Ellison, Bill Breedon and Jack Forhan. Don't forget a hand for manager-coach Glad Lloyd, who kept harmony on the club all year and was tireless in his efforts.

A feature of the team is that with the exception of Art Walker, every boy on the team is a real homebrew product from a five-mile radius of the "Berg." Walker was employed in Schomberg before going into the army, and has since returned to his old job. They had an impromptu dance and celebration upon the victorious return from Eden Mills, but the burghers are planning a gala jamboree and supper when Mitch's cup comes to rest in town officially. We hope to take in the event, and Bud Barrager will be on hand with his trusty camera for some pix of the doings. Congrats to a real band of amateurs who played it the hard way and won out.

An epistle has come to hand from that old "Geetar" picker, Charlie VanZant, no stranger to championship teams but presently basking in the limelight of Newmarket ladies' softball club, district gal champs, and without doubt, one of the best intermediate teams in the province.

"Chuck" says he's been thinking things over for an all-star femme softball team but the way he sees it, he just about has to pick his own team holubolus. "Some people may think I'm prejudiced, but look up the records. They speak for themselves," says Chas.

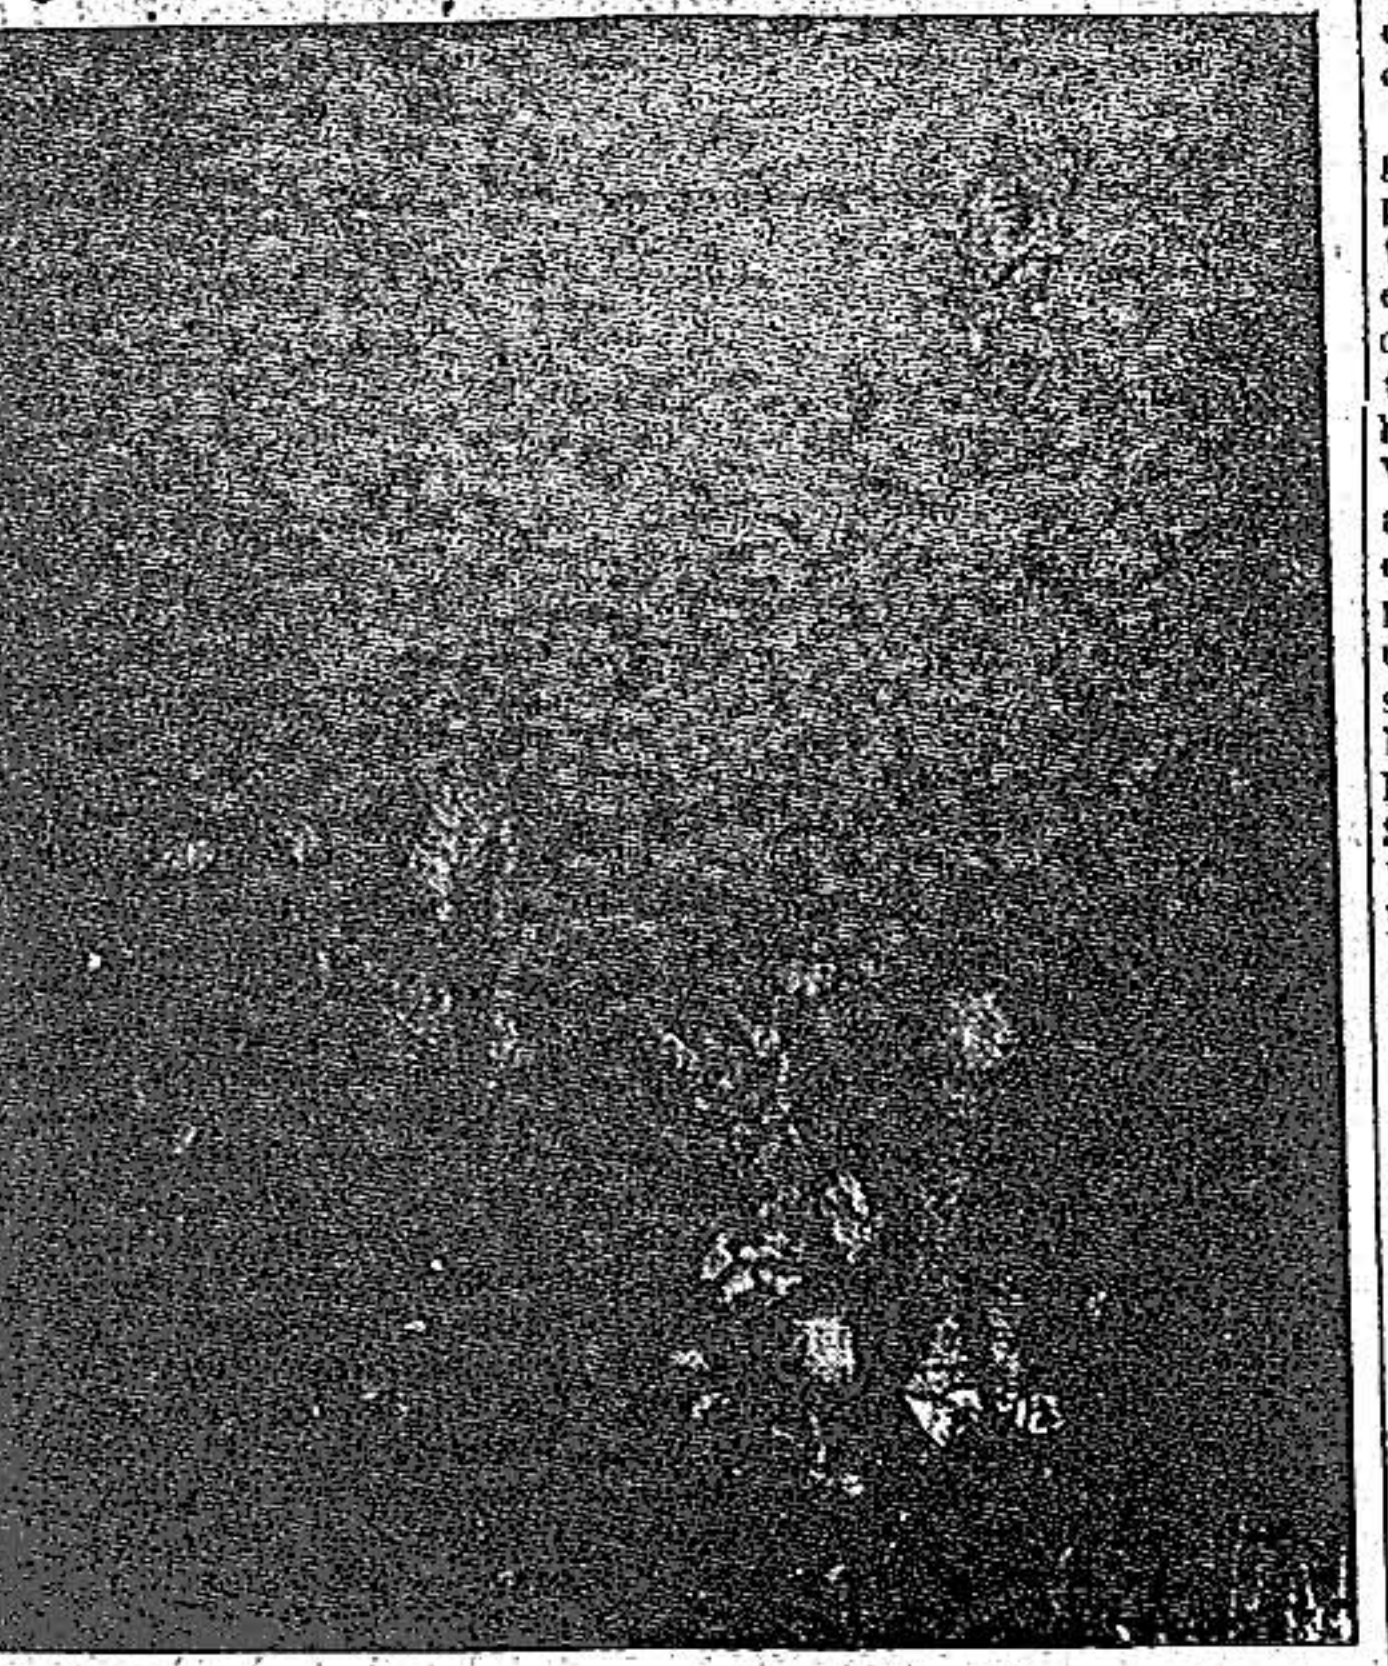

Anne Schroeder, pitcher for Aurora, along with Lucille Case, the kid basher of the Aurora team, are two players he wouldn't mind adding to his roster, but otherwise here's the best.

Mona Dean (see we know her first name isn't 'Diz') handled the catching assignment. The titian haired lass (like that description, Chas?) possesses a great throwing arm, plenty of pepper, and is a dependable hitter. Marg Hisey threw steady if not spectacular ball all year and was very cool under fire. She did her share at the plate, too. Marg VanZant was one of the heaviest clouters on the team and fielded well all year. Phyllis Osborne at second was about the most polished infielder in the circuit, and her hitting is described as 'terrific'. Lois Blight, the short-stop, brought back memories of Pee-Wee Hilton, afield, and just like him, was no ball of fire at bat. Hilton won many a game for the Redmen and so did Lois. Mary Osborne, aside from sure-fire fielding, raged at the opposing pitchers with her war club. Tiny McInnis, youthful outfielder, was easily the fastest player on the club and in the league, and some of her catches were in the miracle class. "As so often happens with such qualifications, she was the top bunter of the circuit.

Lois Manning in centre-field roamed the outer pastures with abandon and hit well over 300 (7 of the Newmarket regulars can boast that too). Edna McGrath, the right-fielder, left little to be desired, and in addition played the infield well when called upon. Utility was handled by Clare Emmerson and Donna McKenzie, and both girls did everything assigned to them. No coach can expect more.

Must say a word too on the behind - the - scenes personnel. There was, of course, Frank Courtney, league convener, manager and chief rooter, out of the softball fire and into the bowling frying pan now. Orville Hisey, the club president, and one of the organizers of the league, didn't miss a game all year. As usual, when transportation problems threatened, Vic Giovannelli came to bat, and doubtless dipped into his pocket.

Others worthy of mention for their support have probably been missed. Need we say that Coach Charlie did a grand job? He knows the game from A-Z. In the old days he was the "Gabby" Hartnett of York-Simcoe softball and what he couldn't get out of the players by direct orders, a healthy sense of humor often produced. Mary a night Charlie hied it straight to the diamond without touching the feed-bag, and from there he-tailed it for an assignment on the dance podium with Don Gilkes where as he strummed sweet and hot he doubtless re-played the game over, an old VanZant habit.

Apples were scarce in Canada in the 1945-46 season due to an exceptionally short crop in 1945. This year a bumper crop is expected, says the Dominion Department of Agriculture. Trees, heavily weighed down with fine fruit as the one shown in this picture, are to be seen in many orchards.

Too bad the team wasn't entered in the P.W.S.U. playdowns for it met and held its own with the best of the Toronto intermediate teams over the year. Somebody slipped up but why go into that? The team will be back intact next year, 'tis thought, and the league should be better than ever.

Before saying good-bye to girls softball at this stage we notice Marg McCannan is still in action with S.M.C. in the Ontario playdowns. The regular Sunny-side season saw the Newmarket girl, always noted as a slugger, have her poorest season in four at the plate, her average going down to .245. At that, not 30 percent of the players did better.

Joe Spillette made a pretty neat speech on Friday night as Newmarket Vets won the deciding game, their third in a row, over Thornhill to take the North Yonge championship and the Spillette trophy. Three-star champs was what Joe called the winners. "Champs on the softball diamond, champs on the ice arena, and champs on the field of battle." The trophy is one of the finest ever presented in the district, and those three cheers for Joe were well merited.

Jack "Ceegars" McDonald, grinning from ear to ear, received the mug and passed it on to team captain Harvey Gibney. The series produced no unexpected results, the majority of the fans calling the vets to win in three-straight.

Nels Findlay pitched a swell game in the final clash, deserving a better fate. Findlay missed the batting power of Teddy Bennett and Art Crean who failed to arrive for the game. Thornhill played three innings with only eight men and their showing is to be highly commended. Incidentally, if they had won under the rules, Newmarket could have claimed the game because of the use of eight men. There must be nine men at all times in play-off encounters. Don't think the Newmarket lads would have done it that way however.

A hand for Doug May, who was in a difficult spot as league president and also as a player. He handled all arguments and incidents skilfully and without favor. Charlie Atkinson of Lansing, the league secretary, is another to merit praise for his untiring efforts and his fairness throughout. Charlie drove many miles over the year, and his next assignment, with softball over, is the Teen-Towners club of North York township which boasts around 400 members. Charlie, one of the founders, is chairman of the committee in charge.

The league officials are losing no time in getting ready for 1947. A league organization meeting will be held in February. No special rules will be made next year if the present executive members can help it. They'll stick by the O.S.A. rule book. George Kelson, locuquacious leader of the Thornhill crew, protested the first game of the series because Newmarket wore spikes, later withdrawing his protest. Technically the league ruling called for no spikes but all teams used them to some extent over the year and while Kelson had it on paper, he didn't have the majority of the fans, executive, or players on his own club with him. A storm scene arose at the conclusion of the first game when arguments flared up in public that shouldn't have been allowed to materialize except in the privacy of a committee room. Fortunately things cooled down without any damage being done.

Kelson declares it's his last year in softball, as he found it too much trouble to get his players out, plus the headaches that arose. Like most losing managers, he'll probably be back for more after the winter ends. Nels Findlay pulled one of the prize quips of the year as he urged Kelson to gaze soulfully into the Spillette trophy as he

nursed it and dream he'd won the championship.

Harvey Gibney, veteran player and captain of the winning team, rated as the standout player of the series in our books. Gibney powdered the ball regularly, and pulled off some of the niftiest catches he's ever made. It was a great performance by a great little player.

New Toronto Legion, conqueror of Newmarket, is into the B finals now with Port Colborne as the opposition. The New Toronto boys had a hectic three-game series with Kingston Heights. They won at home 9-0, lost in Kingston 6-2 and then took the rubber match at Colborne last Saturday 5-4. Meaford, the 1945 C champions of Ontario, found little trouble disposing of Hastings which ousted Thornhill, the local representatives, easily.

Cec Brown, ex-hurler for Newmarket camp, has pitched fire-fighters of the Wanless Park league into the Ontario senior B finals. Clair Exelby and his mates fell before Kodaks in the Toronto semi-finals.

Allandale C.N.R. is the champion of Simcoe County softball teams following a county-tournament. Next year may see a similar venture tried in York County.

Windbreakers are being purchased for both the Aurora R.C.O.C. softballers and Newmarket Vets. The Vets have a chocolate brown ensemble picked out. While most of the boys have windbreakers, they never seem to have enough, even when you can count them on your two hands and the choice of jackets still remains tops with most sporting teams.

George Haskett showed us the sheaf of correspondence in the now famous Stouffville protest. If you ever see anything more contradictory than the opinions expressed by so-called experts, it'll be a miracle. At one stage, Newmarket thought of a re-appeal but gave up the idea. Our own opinion is that the correct ruling was given. Bowmanville, as you are probably aware, took the round from Stouffville after a terrific series. Bowmanville's now in the finals. Toronto Lizzies took the O.B.A. round from Hamilton (is it Crawfords or Westdales?), but needed three to do it in. Yablonski, who pitched the game in Aurora for the first game and dropped a toughie in the rubber match. Gibb lost a hard game, too. Lizzies now meet Sarnia for the championship.

We forgot to draw to your attention a few weeks ago that playing with Acton juveniles this season and doing right well for himself, was Bruce Townsley, son of the Sonny Townsley, one-time little giant of Newmarket baseball and hockey, but now residing in Acton. Young Townsley is a promising prospect.

Barrie Juniors have started practice in the O.H.A. A series and one of the candidates for a spot on the forward line and looking mighty good is none other than Skippy Taylor, the 17-year-old youngster who was regular center for Sutton Green-shirts O.R.I.A. Intermediate A champions. Taylor was scouted last winter by coach Happy Emms when the Sutton team played in Barrie. Two promising players with Barrie this season are Fred Bacari and Steve Black who played last winter with Port Arthur Bearcats. The Barrie team will have at least one home-towner on the team in the person of goalie Jim Strachan. There will be no junior B club in Barrie this winter. As usual the minor O.M.H.A. team will be in action under the wing of the A club.

Sam Stransman, veteran Barrie sportsman, heads the new intermediate club at Barrie which appears to have plenty of good, capable playing material on hand and will be real contenders for intermediate A honors. The players will not receive any bonus or remuneration from the

club but will split the gate receipts.

Markham Millionaires are organized on a similar basis. The players are investing money in their own club along with the executive and when the season is over, they are the ones who cut the melon. Heading the Markham club is Ernie Lawrie with Waverley Wilson, Gordy Brown and Hal Boyington, all experienced executives, forming the non-players' committee. Counted upon for places with the team are such favorites as Nick and Bob Bangay, Vic Meharg, Skippy Northcote, Ike Harper, Chub Spencely, Jack Watson, Pesky Weatherall, Bob Lawrie, Austy Baker, Hi Lawrie and other favorites. A good goalie is a prime requisite for the boys.

Dallas, of the American league, is in training at Barrie and among the players are such fellows as Jack Dyte, ex-Barrie junior and a veteran minor leaguer; Lloyd Finkbeiner, ex-Camp Borden-Midland-Toronto army hockeyist who played softball for Newmarket camp briefly; Joffre Desilets, ex-Toronto army star and who back in 1933 was the star of that great little team of Midglets from Stratford which met Newmarket Redmen in the O.H.A. finals; George Bootham, ex-Toronto Leafs; Fred Gibbon, brother of Jack "Busher" Gibbon of Newmarket who played for Newmarket in the S.P.A. series of 1940; Bobby Thorpe, ex-Brampton camp. Thorpe left Quebec City for training camp and missed the eastern lacrosse finals, not that it would have made any difference in the results.

Springfield Indians are back in competition this year with Earl Seibert, ex-Black Hawks and Maroons, as playing coach (you've probably been wondering about Earl). Seibert was picked

"The Music You Want When You Want It"

When a girl looks facts squarely in the eye—and decides to sit no longer idly waiting for Prince Charming and his rescuing charger—there's a real future for her in Canadian business. Matter of fact, many ambitious young women executives have shown her trim heels to mere males as she passes them on the way up.

If you've reached such a decision, it's a good time to call in the North American Life representative. He has helped scores of successful career girls to make practical blueprints for bright futures. He will show you a low-cost, progressive plan of insurance-savings that takes the "ifs" out of independence. And should your "solo" plans be interrupted by a sudden attack of marriage—your North American Life investment will come in very, very handy.

Call your North American Life representative now and declare your independence.

TERRACING FOR SOIL EROSION CONTROL
One effective method of combating erosion is the Broad Terrace, consisting of a broad water channel cut into the slope, the earth from which forms a low mound or ridge at the channel's lower edge. Such terraces, 3 to 4 vertical feet apart, stop the downward flow of water before it can do damage. Only ordinary farm tools are required to make broad terraces. They can be easily crossed and farmed with regular tillage, harvesting and transporting equipment.
Your agricultural college and experimental station know all the most effective erosion control methods. Their practical experience is yours for the asking. Any responsible farmer may also have sound, financial advice and the assistance of money from this Bank just by taking his problem to the friendly manager of our nearest branch.

MAGISTRATE'S COURT Sentenced A Month On Driving Charge

Edgar Pelletier, Toronto, was convicted of dangerous driving, failure to stop and remain at the scene of an accident, and to driving without a 1946 license in magistrate's court here Friday. Magistrate J. E. Pritchard, K.C., presided. Pelletier pleaded guilty to the last charge and was fined \$10 and costs or ten days. On the other two charges he pleaded not guilty.

Ross Phillips, Toronto, testified that a truck driven by the accused had come toward him on the wrong side of the road near Jackson's Point, had clipped his left rear fender and continued on without stopping until Phillips, after chasing him, had ordered him over to the side of the road. The truck had only one light "and he turned all lights off after hitting me," according to Phillips.

S. J. Beddow, who had been driving behind Phillips, corroborated Phillips' evidence and said that accused had also clipped his rear fender. When he got to the place where accused had finally stopped, "Pelletier struck me and knocked me down. He was under the influence of liquor," he said.

Percy Canived, a passenger in Phillips' car, gave similar evidence.

County Constable W. R. Hill said that accused had not been in fit condition to drive.

Pelletier claimed that he did not know that his truck had struck anything. He said he had had a number of children in the back who were making a lot of noise. The same evidence was accepted on both counts.

"It is an irresistible conclusion," said Magistrate Pritchard, "that the accused was so intoxicated that he did not know what he was doing. There is no doubt therefore, that accused is guilty of dangerous driving as charged. It also seems evident that he deliberately left the scene of the accident. There will be convictions on both charges."

On the driving charge Pelletier was sentenced to one month. On the charge of failure to remain at the scene of the accident, he was fined \$75 and costs or one month. He was also refused a license for three months.

A charge against Norman McBain, King, of having liquor illegally was withdrawn but his sister-in-law, Mrs. Art Richards, was convicted and fined \$10 and costs or ten days on a similar charge.

Constable Meyers told of searching McBain's home with Constable Kidd and finding three quart bottles of beer which had not been purchased on McBain's permit. McBain and his sister-in-law, Mrs. Richards, both testified that the beer was on her permit. The charge against McBain was withdrawn and Mrs. Richards was arraigned on the charge of having liquor in an illegal place. Joseph Vale acted for the accused.

Ernest Rountrees pleaded guilty to Provincial Constable W. A. Melbourne's charge that he had tried to pass another car when the road was not free enough from traffic to allow it. He was fined \$5 and costs or five days.

Raymond C. Merry-Shop pleaded guilty when charged by Constable George Foster with having liquor at Jackson's Point. He was fined \$10 and costs or one month and the liquor was confiscated.

Charged by Constable W. A. Melbourne with having a trailer on the highway without lights, Wm. Price, Toronto, pleaded guilty and was fined \$5 and costs or five days.

Three Toronto youths pleaded guilty to discharging rifles in York county in a place where game is usually found, on Sunday, Sept. 16, contrary to the Game and Fisheries Act. G. R. Armistage, game warden, laid the charges. Each was fined \$10 and costs.

Arthur and Fred Leech, Richmond Hill, pleaded guilty to carrying firearms to hunt game without licenses. They were each fined \$10 and costs. Albert Pyle, Cedar Valley, pleaded guilty to driving without a permit. He had a temporary one but his companion did not have a license either. Constable Ernest Wrightman said he had gone through a stoplight and was driving without lights. He was fined \$10 and costs or ten days.

Vegetables for winter use

It's time to arrange for the storage of vegetables from the garden. Before putting in storage see that the vegetables are free from decay, disease, and damage caused by insects or rough handling. Store in a clean, cool, ventilated part of the cellar. If the floor is of concrete sprinkle a little water occasionally to maintain the necessary humidity. Beets, carrots, parsnips and turnips keep best in sand.

ST. PAUL'S HARVEST SERVICE HELD SUNDAY

St. Paul's Anglican church held its harvest festival last Sunday with the rector, Rev. Gower A. Stone, taking the morning service, assisted by Rev. F. M. Brunton. In the evening, he was assisted by Rev. J. T. Rhodes, Roche's Point, and Rev. H. Pugh. The church was decorated for the service and besides the harvest hymns, the choir sang Praise Thy God, O Zion.

BLACKSMITH SHOP BEING TORN DOWN
An old landmark, the blacksmith shop at the north end of the village is being torn down. We do not know when it was built, but some of the men who carried on their trade there were John Fierheller, Seth Jewell, Neil Marr, A. L. Porter, Geo. Ianson, Robt. Wilson is the only one of them living today and who only recently gave up his trade to drive a mail route.
Mr. and Mrs. Bruce Rolling and Billy have returned from a 1,600-mile motor trip on which they went as far north as North Bay and Temagami, down to Ottawa and Hull, Three Rivers and Montreal.
Mr. and Mrs. John Arnold have returned to Mrs. Stokes' home after visiting friends at Galt, Guelph and Toronto.
Miss Leek had several callers last week, former residents of Mount Albert. They were Mr. Dick Long, Vancouver, Mrs. Mabel Marshall and son, Toronto, and Dr. Frank Forrest, Toronto.
Mr. and Mrs. George Stokes have returned to Brampton after spending their holidays with Mr. Stokes' mother, Mrs. W. D. Stokes.
The Cheerio class, which postponed its meeting on Saturday, will hold it this Saturday evening at the home of Mrs. Will Shillinglaw.
Mr. Andrew Hamilton, Gilbert Plains, Man., spent a few days visiting friends in this community this week.

30 Polish Veterans Sought To Ease Help Shortage
Of the 4,000 Polish veterans being brought to Canada to work on farms, 30 have been asked for York county by W. M. Cockburn, agricultural representative, Newmarket. It is expected the men will arrive early next month.
"The men are all under 35 and have been carefully selected by Canadian immigration officials," said Mr. Cockburn. "The men are coming for two years but must put themselves under contract to farmers for one year."
The men are members of the Polish army which fought with the Canadians in Italy. Having taken their training in Scotland and been in contact with their English-speaking allies, many can understand the English language.
Applications for the men are slow in coming from farmers, said Mr. Cockburn. Application should be made to Mr. Cockburn or to the National Employment office in Newmarket.
"I look to these men to settle our immediate farm labor shortage," said Mr. Cockburn.
Smith assured his wife that he could repair the broken window. So he took careful measurements and went to buy the glass—and to ask the dealer how to put it in.
"It's quite easy," was the reply. Just remove the broken bits, fit in the new glass, put the putty around and there you are!
In a short time Smith was back again. The shopman greeted him with: "Same size again, 1 suppose?"

The Minister of Finance announces
A NEW BOND ISSUE FOR PEACETIME SAVINGS
Canadians are thrifty people. Their record in war financing will stand for many years to come.
Through six years, millions saved and invested in Victory Bonds and War Savings Certificates in a way no one thought possible. Many thousands learned the convenience of regular, systematic saving, whether in small monthly amounts or by larger cash investment. As a result they have accumulated substantial personal reserves with all that means in increased future security and satisfaction.
Because suggestions and requests have come to me from all parts of the country that facilities for this kind of saving be continued in peacetime, the Canada Savings Bond has been created.
The issue of War Savings Certificates and Stamps to the general public will be discontinued on September 30th, and final instalments on the last Victory Bond issue will have been completed in the near future. Canada Savings Bonds, therefore, will provide an opportune means for citizens to carry on their regular savings habits without interruption.
The general public should note that this time there will be fewer salesmen than in the case of Victory Bonds. Although the new Canada Savings Bonds will be sold through banks, authorized investment dealers, stock brokers and trust or loan companies, these agencies will not be able to approach every individual Canadian. This means that for the most part it will be left to Canadians to assume the responsibility for their own purchases of Canada Savings Bonds. If they wish to grasp this opportunity, they should act for themselves without delay.
Canada Savings Bonds are designed to be the finest investment available to the public today. I recommend them to you as a safe, profitable and convenient investment for personal savings.
I now announce the terms of the new Canada Savings Bonds, which will be offered commencing October 15th.
M. A. Aulley
MINISTER OF FINANCE
... Features of the new Canada Savings Bonds
Interest 2 1/2% by annual coupon. Purchase price 100%. Accrued interest will be charged if payment is made after November 15th. Issued in denominations of \$50, \$100, \$500, and \$1000.
Dated November 1, 1946, maturing in ten years. Non-callable by the Government, but redeemable by the owner at any time of full face value plus interest at coupon rate of any branch in Canada of any chartered bank. Non-transferable and non-assignable.
Holdings by any one person limited to \$2000. Registered as to principal, providing protection against loss. Available for cash, on the Monthly Savings Plan, or by personal arrangement with a bank.

"Service With A Smile"

**For Work or Play
MILK is
O.K.**Ask any Working Man or
Woman about MILKYou'll get an opinion that unani-
mously declares milk the ideal food-
beverage. Refreshing, satisfying
and nutritious. Children who play
and study hard need the stamina
milk provides. It's health insurance,
too, with winter coming on. Serve
your children a wholesome beverage
with every meal.**The Reason for Increase . . .**

Dear Customer:

On an order of the Milk Control Board of Ontario, commencing
October 1, 1946, milk will be increased in price at the rate of three cents
per quart, two cents per pint and one cent per half pint.This is caused by the discontinuance of the subsidy paid to the pro-
ducers by the government as well as a raise of 45 cents per cwt. in the
cost. Thus your dairy must pay \$1 per cwt. more to the producer for the
milk. The extra three cents per quart which you must pay is divided
thusly: 2 2-3 cents to the producer, 1-3 cent to your dairy for increase in
production.

New price: quarts, 15 cents, pints, nine cents.

Please put out money with tickets purchased at the old price.

Aurora Midgets Take 10-1 Win From Richmond Hill

Aurora midgets coasted to a 10-1 win on Monday night over Richmond Hill in the semifinals of the North York midget lacrosse league. The winner of the series meets Maple. The game score fails to represent the actual play for the Hill kids were outluckied time after time, or foiled by the clever netminding of Charlie Southwood in the Aurora nets.

before a handful of faithful shivering fans. Charlie Southwood, Phil Davidson, Bill Patrick, Loring Doolittle and Nesbitt headed the Aurora drive but their mates were almost as good, every lad playing a strong game. Frank Barker in the Hill nets was outstanding despite the fact ten went by him. Mac Clement, Bill Neal and Norm Sturden carried the main punch for

A fluke goal got Aurora started in the first period. Brodie's shot being kicked into the Hill net by a defending player. A minute later Phil Davidson went the length of the floor for a picture goal. In the second quarter "Tuffy" Nesbitt, one of the smallest players on the floor, scored a beauty and did some great passing. Bill Mundell took Patrick's pass for the next counter, and Smith completed

Seems Like Yesterday--

On Golden Anniversar

Mr. and Mrs. William Seaton, and presentation, Mrs. Seaton h

Yonge St., celebrated their golden wedding anniversary on Monday with all their children, grandchildren and great-grandchildren present for the occasion. Their entire married life has been spent in Aurora.

Mr. Seaton was for 30 years employed by Collis Leather Ltd., and retired last year. He is a native of Toronto and Mrs. Seaton, who was formerly Mary Heath, was born at Oak Ridges.

On Friday evening, members of Queen Mary L.O.B.A. honored the couple with a surprise party

ing a past mistress of the lodge.

Both Mr. and Mrs. Seaton are in good health and active in their years. They are members of Aurora United church.

"It just seems like yesterday," Mrs. Seaton said. "If you keep busy and are happy the time goes pretty fast." Aurora, she recalled, was around 1,000 population at the time of her marriage. Residing in Aurora are four sons, Gordon, Earl, Jack and William, Jr. A daughter, Mrs. William Cochrane, resides in Toronto.

COUPLE ARE WED
HERE QUIETLY

On Wednesday evening, Sept. 15, about 80 friends, neighbors and relatives gathered at the home of Miss Hettie Sheppard, Uxbridge, which was beautifully decorated with a huge white bell and pink and white streamers, in honor of her approaching marriage and gave her and husband-to-be a miscellaneous shower. They received a number of beautiful and useful presents which they appreciated. The couple were ably responded after which everyone sang For They Are Jolly Good Fellows. Lunch and tea was enjoyed by all and the evening was brought to a close by showering the bride and groom with good wishes and confetti.

GOSPEL CHURCH
WEDDING SCENE

Mount Albert Gospel church, decorated with white asters and gladioli, was the scene of a pretty wedding September 21 at 3 p.m. when Hettie, only daughter of Mrs. A. Sheppard and the late Mr. Sheppard, was united in marriage to David Floyd, only son of Mr. and Mrs. Thomas E. Wright, Mount Albert. Rev. S. Kerr officiated and Mrs. Kerr was at the piano.

Given in marriage by her uncle, the bride looked lovely in a floor-length gown of ivory net over satin with lace insets in bodice and low, sweetheart neckline and full skirt. Her shoulder veil was caught with a coronet of seed pearls and she carried a bouquet of red roses and ferns. She wore the gift of the groom, a pearl necklace.

The groom's sister, Miss Dorothy Wright, was bridesmaid in a floor-length dress of lovely blue sheer over satin with round-neck and gold threading with full skirt and long, soft sleeves. She carried pink roses with ferns.

Mr. Melvin Sheppard, brother of the bride, was best man with a cousin of the bride and brother-in-law of the groom, Douglas Kirton, as ushers.

Following the ceremony a reception was held at the bride's home where her mother received wearing a rust crepe dress with black accessories, assisted by the groom's mother in blue flowered silk with navy accessories.

A buffet lunch was served to about 40 guests by Betty Longhurst and Bernice Coomer with Mrs. D. Dike and Mrs. Stonehouse in the kitchen. After the three-tier wedding cake was cut, the happy couple left amid showers of good wishes and confetti for Niagara Falls and the United States. The bride wore a blue wool dressmaker suit trimmed with black accessories. On their return they will reside in Mount Albert. Guests were present from Sutton, Belhaven, Newmarket, Sunderland, Zephyr and Mount Albert.

GRANDDAUGHTER IS
WED IN TORONTO

On Saturday, Sept. 7, in Runnymede United church, Toronto, Florence Mary Cooper, daughter of Mr. and Mrs. J. A. Cooper, Toronto, was united in marriage to Donald Thomas Clarkson, son of Mrs. Ward Clarkson and the late Mr. Clarkson.

Rev. D. H. Gallagher performed the ceremony. The wedding music was played by Mr. George Bishop and during the signing of the register, Miss Thelma Ash sang Because.

Given in marriage by her father, the bride wore a gown of ivory chiffon velvet, made on princess lines with sweetheart neckline, long sleeves with points over hands, and the skirt sweeping into a circular train. Her full-length veil of tulle illusion was caught by a halo of velvet. She carried a shower bouquet of Johanna Hill roses.

Miss Betty Cooper, sister of the bride, as maid of honor, and Miss Lillian James, as bridesmaid, were gowned in morning glory blue chiffon velvet and American Beauty chiffon velvet made on the same lines as the bride's gown. They wore a halo of matching material and carried bouquets of Talisman Roses.

Mr. Cameron Clarkson was best man for his brother. The ushers were Mr. John Cooper and Mr. John O'Halloran.

At the reception at the home of the bride's uncle, her mother received wearing a frock of grey crepe with cerise and black accessories, and a corsage of red roses. The groom's mother chose a blue frock with black accessories and a corsage of red roses.

For travelling the bride chose a blue gabardine suit with navy accessories. The couple will reside in Newmarket.

Mrs. Clarkson is the granddaughter of Mrs. George Scott, Simcoe St. W., Newmarket.

STORMS-WINCH
RITES IN AURORA

Aurora United church was the scene of a lovely wedding on Sept. 7, when Anna Evelyn Winch, daughter of Mrs. Edith Winch, became the bride of John Lyall Storms, son of Mr. and Mrs. F. S. Storms, Toronto. Rev. R. F. Hicks officiated.

The bride wore a gown of white silk jersey with fingertip veil, carried a bouquet of white gladioli and red roses. She was given in marriage by A. W. Cochrane.

Attending the bride were Doris Winch, as maid of honor, in turquoise velvet, and Joyce Thompson, as bridesmaid, in American Beauty velvet. Arthur Gillespie was best man.

The bride's mother received in powder blue crepe, assisted by the groom's mother in pearl gray crepe.

RAVENSHOE

Church service and Sunday-school were combined on September 29 for the annual Rally Day service. The superintendent, Harold Bray, led the service with Mrs. Bray at the piano. The story was told by Mrs. Jack Bosworth and the scripture lessons read by Beth Bosworth and Billy Mahoney. Rev. Poster Contest Marks 50th Anniversary Of W.I.
In commemoration of the 50th anniversary of the founding of the Women's Institutes, the Federated Women's Institutes of Ontario are launching a poster contest throughout the province. The best district posters are to be sent to the provincial board to arrive not later than Nov. 30, 1946. Prizes will be given by the board for the best provincial posters.

Rules of the contest: Open to anyone in the community; size of poster 14"x22" or 28"x22". The poster must have stated on it the date of the celebration—June 18, 1947; the place O.A.C., Guelph; the theme, "We Treasure the Past — We Face the Future"; and the words, "Women's Institute."

The final date for accepting posters for the provincial contest is Nov. 30. Judges will be chosen by the branch Institute, the district and the provincial boards to judge the respective posters.

The posters become the property of the Institute and may be used by them for publicizing the 50th anniversary. The posters to compete in the provincial contest must be sent to the Women's Institute branch, department of agriculture, parliament buildings, Toronto, to arrive not later than Nov. 30.

Mrs. Geo. Luesby, secretary of Newmarket branch of the Women's Institute, Newmarket, will accept entries from Newmarket.

The Mount Albert tennis club held its fall meeting in the hall Thursday evening. The election of officers was held with Roy Stewart in the chair. The 1947 executive will be: pres. Miss M. Dike; vice-pres. J. Hammett; sec.-treas. Mrs. H. Morton; directors, Mrs. J. Rennie, Miss V. Oldham, H. Shields, M. Stokes, L. Mainprize, D. Ross.

The winners of the 1946 tournament were: ladies' singles, Mrs. J. Rennie; ladies' doubles, Mrs. Rennie and Miss V. Oldham; mixed doubles, Mrs. K. Ross and Doug. Ross; men's singles, Doug. Ross; men's doubles, Doug. Ross and Ross Draper.

A vote of thanks was tendered Bruce Gould of Uxbridge, who for the second year gave the club the music for the dance which followed the business meeting.

An invitation to all the community to attend the dance in the Mount Albert hall, Oct. 11, is extended by the club.

Mr. and Mrs. Ken Mitchell, Ethel Fryer and Vera Wheller were Sunday guests at the home of Mr. and Mrs. Alvery Lunan who celebrated their 15th wedding anniversary.

TO FILL IN PARK FOR TRAFFIC LOT
The Newmarket town council Monday night voted to open Lorne Ave. between Eagle St. and Andrew St. and to use the earth from the excavation for fill in Widdifield Park. Councillor Frank Bowser said that there would be sufficient earth from the Lorne Ave. job to fill in Widdifield Park enough to use at least part of it for parking.

"I was told by Chief Ronald Watt that the best thing to do to help the parking situation in Newmarket was to make immediate use of Widdifield Park," said Councillor Bowser, who is chairman of the roads and bridges committee of the Newmarket town council. "It has been a question of where to get the fill for the park."

"I anticipate getting 2,400 cubic yards of earth from the Lorne Ave. job and can have it moved at 70 cents a yard. We should do it now while the machinery for the work is in town."

The members of council were agreed that work should begin at once.

BIRDS NESTING IN WIRE Arouses Resident's Ire
The following letter was received by the town clerk, Wesley Brooks, and read in the meeting of the Newmarket town council Monday night: "It is all of two months since I phoned you and asked for the removal of a large bird's nest from the hydro wires where, high up on the house-wall, they run down to the meter in our driveway, into the house. And you promised you would have your maintenance staff remove it when next they were on this street."

"I have seen your truck several times on this street since then but the nest has not been removed." The letter was signed by B. P. Colclough, Newmarket.

The letter was sent on to the Newmarket Hydro Commission for consideration.

Since the letter was written, hydro linesmen have removed the offending nest.

MAGISTRATE'S COURT
\$50 FINE PENALTY IN ASSAULT CHARGES
David Hartford and Herbert Richard Thompson, both of Newmarket, were convicted of assault with the intention of occasioning bodily harm in magistrate's court last Friday. A companion, Vern Douglas Mozier, was acquitted. Magistrate J. E. Pritchard, K.C., presided.

George Murdock, who suffered severe injuries in the first war, laid the complaint. He said that he had been in bed at home when the three accused had awakened him and yanked him out of bed. He said he had gone upstairs to escape trouble. "Two of them, Hartford and Thompson, came up after me and forced me to come down with them. Thompson said he was going to kick the guts out of me. When we got down he told Hartford that if he (Hartford) didn't hit me, he (Thompson) would. Hartford struck me on the head. Then Thompson struck me. My ribs, chest and face were all sore and I got a big cut on my head," he testified.

"Hartford only hit me once and then ran and got a towel. As far as I know Thompson struck all the rest of the blows. I don't think Mozier struck me at all," he concluded.

Chief Constable Ronald Watt testified that he had picked up the three accused on Eagle St. after Murdock's wife had telephoned, and had taken them to the police station where they had refused to talk. Later Murdock had identified them, he declared.

"Murdock stated that Thompson had antagonized the other two but that Mozier had taken no part in the attack," he said. The charge against Mozier was dismissed at this point.

Testifying on his own behalf, Hartford said that he, Thompson and Mozier had gone to see Murdock because Mozier had hoped to get a job from him. When they arrived they found Murdock drunk, he said, so they left and went to Thompson's home.

"When we got there, we found my uncle, Jack Marshall, receiving medical aid for bad cuts which he said he'd received when Murdock had beaten him up," Hartford said. "We went back to Murdock's home to find out what the trouble was. We found Uncle Jack's hat at Murdock's. When we found him we had a stiff argument and then we told him to come downstairs. He came voluntarily. Then we started arguing again and he took a swing at me. He missed but I struck him in self defense. Thompson didn't hit him at all. I did all the hitting."

Thompson corroborated this story. He admitted that he was now under a suspended sentence for assault.

Murdock denied that he ever had a fight or even an argument with Marshall, whom he said he had known for 40 years.

Magistrate Pritchard expressed the opinion that Thompson and Hartford had gone to Murdock's house for the purpose of wreaking vengeance and that this constituted a joint enterprise, making them equally responsible for what took place.

"It is regrettable that so often the court is called upon to deal with cases of this kind, wherein people who consider themselves self-appointed police officers and courts proceed to administer summary punishment to people whom they consider to have committed an injustice to themselves or their friends," said Magistrate Pritchard. "The unfortunate part of the thing is that they are invariably wrong because their actions take place while they are in the heat of passion, and are not based on facts. If this condition were allowed to prevail, mob rule and anarchy would result, and there would be no place for police and police courts."

"The evidence is more than sufficient to convict both Hartford and Thompson and jail terms for both are justifiable. However, I am going to give you both one more chance and fine you both \$50 and costs or one month," Magistrate Pritchard concluded.

DOWN THE CENTRE

(Continued from Page 4)
for a good many years on defence with his present boss, Eddie Shore. The Springfield roster includes Alex Mottier who played in the Memorial Cup finals for Regina against Newmarket in 1933; Hazen McAndrew, one of Canada's most travelled hockeyists; Sandy Milne, who played defence for Toronto navy against Newmarket army; Bill Summerhill who sparked Toronto army

in the services league; and Goose Hewson who played junior hockey for Oshawa against Aurora in 1940, was with Toronto army and caught baseball for Newmarket camp the last year they won the Newmarket town league. The Springfield boys are barnstorming in a pre-season hockey whirl. At the weekend Tulsa Oilers were still waiting for ice at the Jock Hartry arena, our old friend, Dutch Dougall, having run into some technical difficulties in production. Bun White of Brampton army, Camp Borden Meds and Owen Sound Mohawks is one of the candidates for the Tulsa team. White has been playing lacrosse all season and is in good shape.

Keep your eyes on a sweet new line which, if it remains intact, will take some beating this season in the N.H.L. According to reports we got from Detroit, Jack Adams has teamed Billy Taylor with Adam Brown, a potent sniper, and Roy Conacher, ex-Boston star. That trio should produce plenty of goals.

Herbie Simpson, mighty atom of the mercantile ice lanes, is a busy man these days. Herb has a string of Belgian horses that are real blue ribbon winners and he's cleaning up at the fall fairs. One of his best had the misfortune to run a nail in its hoof but it's coming along nicely. Horses and hockey are Herb's two big interests in life.

Don't forget that big amateur show this week at Newmarket, with a long list of talented performers. Orval Ganton persuaded yours truly to do another M.C. job. Monday, of course, brings up the cycling race staged by the Aurora Cycling club with all the best district riders and some outsiders in action. Then there's the steeplechase races at Beverley Farm. A jam-packed day. Tomorrow (Friday) finds the annual field day on at Aurora high school. Sorry to see that there'll be no district track and field championship.

Aurora and Richmond Hill voted "yea". Newmarket high wasn't fussy about competing this year, at least, while Markham high jumped the local conference to stay in competition with Stouffville and Agincourt schools. Aurora and Richmond Hill, without the competition of at least one more school, wisely enough decided to hold only their own meets this season. Next year may still see a revival. We hope so.

Maple took the first game of the North York boxla finals in Maple last week 9-7 over Woodbridge. The win should give the farmer boys a big vote of confidence. The fans around the circuit would like to see Maple win out, just on the principle of seeing the champion lose. Woodbridge can't be counted out yet by any means.

Warden Of York Appeals For Help To Children's Aid

By F. G. Gardiner, president of the Children's Aid Society of York County, warden of York County

There are little boys and girls in your neighborhood without parents or friends to look after them. The homes of others are such that the children are becoming juvenile delinquents. There are babies whose unmarried mothers either do not want them or cannot afford to keep them.

Who has been looking after these thousands of cases for you and your neighbors? The Children's Aid Society of York County. First the society strains every effort to adjust conditions with the parents—that the child may remain with them. This involves much investigating and many attendances at each home. Who does this work? Salaried specialists who know best how to influence these homes. Who pays them for their time—your society.

This is preventive work. Such activities save the society thousands of dollars and what is much more important, they save children, homes, parents from taking the wrong pathway in life.

When a child must become a ward it stays at York Cottage until a foster home is available. When a request for adoption is received a thorough investigation is made to assure the future well-being of the child.

Investigating, visiting, advising, placing in foster homes, arranging adoption and maintaining at York Cottage all cost money. During 1945 there was an increase of 22.7 percent in actual days care. The increased overall cost was up 40 percent. Clothing, as an example, went up 100 percent. The society had an arrangement with wholesalers whereby it could buy their excess stocks. Today, there are no excess stocks.

The children in York Cottage and in foster homes are dependent on your society. Maintenance must be adequately provided if they are to develop into good citizens.

Will you help the unfortunate children in your district to whom fate was less kind? Help save children from broken homes— from no homes at all—unwanted, friendless. Over \$100,000 is required. The need is most urgent.

OVER 2,000 CHILDREN UNDER SOCIETY'S CARE

The following statistics give some idea of the work being accomplished by the Children's Aid Society of York county. The society is appealing for funds next week.

The budget in 1935 was \$32,500, the expenditures were \$33,600. The budget in 1946 is \$210,000. The break-down is: boarding children in foster homes, \$130,400; food, clothing, medical care, \$28,634; salaries of professional workers, \$19,000; administration, salaries, rent, light, heat, stationery, etc., \$20,000; automobiles and transportation, \$4,200; furniture and fixtures, \$1,415; maintenance of York Cottage, \$5,351; total, \$209,000.

Children being cared for as of December 31, 1945: boarded in foster homes or in York Cottage, 451; children in adoption probation homes, 320; children in free or wage homes, 89; children in institutions, e.g. Ontario Hospital for Mental Defectives, boys' and girls' training schools, etc., 18; children who are wards of other societies in York county and under our supervision, 71; total, 949; plus 1,114 children in 405 homes where preventive supervision is being given.

COUNCIL CONSIDERS HIRING OF ENGINEER

Newmarket town council named a committee of the chairmen of the property committee, Council George M. Byers, the roads and bridges committee, Councillor Frank Bowser, and the water committee, Reeve Arthur D. Evans, to enquire into the possibilities of employing a full-time graduate civil engineer for Newmarket.

The appointment came following the passage of a resolution moved by Councillor Joseph Vale. Mr. Vale gave notice of the resolution some weeks ago.

Schomberg Calf Club Exhibit Features Fair

One of the interesting features of Schomberg fair Saturday was the exhibit of the Boys' Calf club. The calves, six Holsteins and one Jersey, were brought out in top show shape to be judged by Donald Knapp, assistant agricultural representative for Ontario county.

Glen Atkinson exhibited the top scoring calf, while the honors for best showman were awarded to Douglas Brown. For general proficiency which includes the award on the calf, showmanship, judging, attendance and interest shown at meetings, examination, care of the calves and monthly reports, Glen Atkinson, Schomberg, had a total of 912 out of a possible 1,000 marks. The others in order of standing were Douglas Brown, Schomberg; Dawson Aitchison, Schomberg; Glen Hulse, Schomberg; Bob Hamilton, Schomberg; Jim Sheardown, Schomberg, and Norman Hamilton, Schomberg.

Joseph Darlington, Todmorden, presented the book, Cowphilosophy, donated by the York County Holstein club, to Glen Atkinson. The leather show halter for the top showman in the club went to Douglas Brown.

The club held monthly meetings throughout the spring and summer under the direction of A. Oliver Dalrymple, Newmarket, assistant agricultural representative for York County.

These boys will be entertained at a luncheon at the Royal York hotel on November 20 by the Downtown Kiwanis club which gives the highest boy over 16 years of age a scholarship of \$10. The winner this year is Bob Hamilton, Schomberg.

INDEPENDENCE**

By J. JAY WATSON

Pharaoh's dream of the seven
fat kine coming out of a river,
followed by seven other kine,
poor and ill favored, was suc-
ceeded by another dream in which
"seven ears came upon one stalk,
full and good," followed by "seven
ears," withered, thin and
blasted with the east wind."

These seemingly fantastic
dreams were founded on natural
objects with which the Pharaoh's
experience had made him ac-
quainted. Thus, the herd of
kine which in the first dream he
saw coming out of the river
formed a spectacle which was
then, as it is still, almost daily
witnessed on the Nile.

With regard to the grain in the
second dream, there is a species
of wheat still growing in Egypt
which actually bears seven ears
upon a single stalk, exhibiting an
appearance of great beauty. This
grain is liable in common
with other vegetation to be
damaged by hot scorching winds
from the east.

The Pharaoh felt that these
dreams were so weighted with
ominous significance that he
sought an interpretation. His
magicians, the wise men and
counsellors were unable to give
a satisfactory interpretation. Then
an officer of the court told
of a wonderful interpretation of
dreams he had experienced from
Joseph, whose fate it had been
to enter Egypt in the character
of a slave. Joseph was directed
to appear before the Pharaoh.

Joseph, in the interview that
followed, confirmed the Pharaoh
in his belief of the symbolical
character of his dreams, assuring
him that though there were two
different dreams they portended
the same thing. The repetition
of the dreams indicated the
absolute certainty of an extra-
ordinary dispensation with
which God was about to visit
that part of the world, and
according to which seven years
of uncommon fertility would be
followed by a similar period of
severe famine.

The explanation was simple
and intelligible, for the cow with
the Egyptians was the sacred
emblem of fertility and the river
Nile was the great natural source
of their prosperity, for accord-
ing to the annual rise or failure
of which, there was plenty or
scarcity of corn in the land.

Joseph, for his wisdom and
understanding, was appointed to
the dignity of viziership or prime
minister. He named overseers
over the land to "take up the
fifth part of the land of Egypt
in the seven plentiful years". So
they gathered food and grain
in the years of plenty for the
years of famine ahead.

In our own day and generation
statistics show that only around
five out of every hundred at age
65 have independent incomes, so
these facts warn of the famine
awaiting the 19 out of 20 who
reach their 60's.

The seven plentiful years of
Joseph's time, as a symbol, seem
to balance with the active years
of business in a person's lifetime.
Dependancy in the late years of
life spells famine.

The spirit shown in the life of
Joseph as "prime minister" is
synonymous with the service of
life insurance.

W.C.T.U. NEWS

Contributed by Leonora Starr,
Press Secretary, Newmarket
W.C.T.U.

Canadians spent \$373,990,800
for liquor in 1944-45, "enough
money to build a \$4,000 house,
mortgage-free for 93,500 Cana-
dian families," Mrs. J. H. Wick-
son, Ottawa, national president of
the W.C.T.U. told the 69th
Convention of the Ontario W.C.T.U.
at Brantford.

"The tremendous increase,
year after year, in the consump-
tion of liquor is, to say the least,
startling," she said. "The situa-
tion in Canada should fill any
good Canadian with humilia-
tion."

Mrs. Wickson said that while
temperance forces were toiling
night and day to catch "nothing
but abuse, ridicule and the flou-
sam and jetsam of political op-
position," the brewers and dis-
tillers, owners of hotels and
drinking taverns and both pro-
vincial and dominion govern-
ments, "without much toiling,"
though they were open night
and day, were piling up "mil-
lions in money" at the expense
of the "purity of our womanhood
and the sanity of our manhood."

News On Recreation

By MICKEY SMITH
Recreation Director

Indoor soccer: Last Monday night at the Newmarket arena the indoor soccer league went over with a bang. The Davis Leather Co. has donated a lovely trophy to the league. And we would like to thank the firm for this trophy on behalf of the whole soccer league. The games were interesting and wide open, with eight goals being scored in the two games. International Wood defeated Newmarket Legion. Those two old rivals, Davis Leather and Office Specialty, hooked up in what turned out to be the best game of the night, with the boys from the north end turning back the lads from the steel plants by a 4-2 score.

Next Monday there will be another doubleheader, so folks, if you want to enjoy yourself for a couple of hours, our advice is don't miss next week's games at the arena.

Boxing and wrestling: We have been asked if there will be a boxing show in the arena. If we can secure enough local talent we will run a boxing show. So if those who are interested in this form of entertainment will let us know, we will try to put on a show in the near future.

Dance: Don't forget the Recreation community dance that is being held in the drill hall at the fair grounds next Wednesday night. There will be a floor show in the intermission. The Newmarket Legion will help the Recreation Council with the refreshment booth and check room.

Badminton: We hope to call a meeting regarding a club next week. Those interested are requested to leave their names with us.

We are glad to report that the membership of the dramatic club is increasing and that there is real enthusiasm throughout the club. The executive is now complete and the plays for October and November are cast and well under way. The first play, A Ready Made Family, will be ready for production on Oct. 17 and 18 in the town hall. The club is selling season tickets for all seven performances as well as individual performance tickets.

TRIP BY PLANE
FOLLOWS RITES

Ina May, daughter of Mr. and Mrs. C. E. McDonald, Newmarket, was united in marriage with W. A. (Bert) Kent, son of the late Mr. and Mrs. W. A. Kent, Warton, in a ceremony performed by Rev. Henry Cotton in Trinity United church. Peach gladioli formed the setting. H. G. Fowler, at the organ, accompanied the soloist, Miss June Hill.

The bride, given in marriage by her father, wore a gown of white mousseline de sole over satin. A headress of white satin in sweetheart style held her long, emerald-green veil. Gladioli, roses and heather made up her bouquet. Mrs. D. Carley was matron of honor for her sister and wore pink mousseline de sole over taffeta. Miss Janie Kent was the bridesmaid in blue, and Miss Peggy McDonald, junior bridesmaid, wore pink. All wore matching halos and carried gladioli and asters. C. H. Lindsay was the groomsmen and D. Carley and George Ducker were ushers.

The reception was held at St. Paul's parish hall, where the bride's mother received in powder blue, assisted by the groom's sister in leaf green. Both wore gladioli corsages.

For a plane trip to New York, the bride changed into a light blue suit with black accessories and corsage of pink roses. They will make their home in Newmarket.

In Memoriam

Firth—In loving memory of a dear wife and mother, Mrs. Dan Firth, who died October 5, 1939. In memory we see you just the same. As long as we live we will treasure your name. Deep in our hearts you are living yet. We love you too dearly to ever forget. The sorrow we feel words cannot explain. The ache in our hearts will always remain. Lovingly remembered by husband and family.

Jones—In loving memory of a dear husband and father, Robert William Jones, who passed away October 5, 1936. Often a silent heartache. Often a silent tear. But always a loving memory. Of the husband I loved so dear. As we loved you so we miss you. In our memory you are near. Loved, remembered, longed for always.

Treasured with a love sincere. They say time heals all sorrow. And helps us to forget. But time so far has only proved. How much we miss him yet. Always lovingly remembered by his wife Clara and family, Bob, Ivy, Percy, May, Lillian and Bill.

Pegg—In loving memory of a dear father and grandfather, Samuel John Pegg, who passed away October 1, 1945. "Thy will be done", seems hard to say. When one we love has passed away. But God knows best, it was His will. Yet in our hearts he liveth still. To think that we could not say goodbye. Will always bring regret. But the hearts that loved him best of all. Are the hearts that won't forget. Sadly missed by Clarence, Della and Jack.

Sapwell—In memory of our brother, Cpl. Fred Sapwell, who was killed overseas, October 3, 1944. He lies far off in Italy. His grateful battle done. He did not live to see. His heartfelt freedom won. But those of us who hold him dear. In our hearts shall pray. And keep a sacred memory. At the price he had to pay. Ever to be remembered by Louise, Gordon Green and family.

Shuttleworth—In loving memory of a dear wife and mother, Mrs. G. A. Shuttleworth, who passed away one year ago, October 4. Time speeds on, one year has passed. Since death its gloom, it shadows cast. Within our home where all seemed bright. And took from us a shining light. We miss that light and ever will. Her vacant place there's none to fill. Down here we mourn but not in vain. For up in heaven we will meet again. Lovingly remembered by husband and family.

Stewart—In loving memory of my husband, FO Donald B. Stewart, reported missing over the Bay of Biscay, October 4, 1943, later presumed dead. However long my life may last, Whatever joy or grief be mine, I will always think of you. —Doris

Stewart—In proud and loving memory of FO Donald B. Stewart, who was reported missing while on operations over the Bay of Biscay on October 4, 1943. There is no white cross standing at your head. But British is the sea wherein you lie. And though your native land no more you'll tread. To us, beloved son, you will never die. Sadly missed and ever remembered by mother, dad and Marion.

Whyte—In loving memory of our dear brother, William Glover Whyte, who passed away September 30, 1933. God called him home, it was His will. But in our hearts he lives still. His memory is as dear today. As in the hour he passed away. We often sit and think of him. When we are all alone. For memory is the only thing. That grief can call its own. Lovingly remembered by Margaret and Herbert.
